**PROFIT WARNING**

This announcement is made by the board (the “**Board**”) of directors of Qeeka Home (Cayman) Inc. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

The Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that the Group is expected to record a net loss attributable to equity holders of the Company of approximately ranging from RMB10.0 million to RMB20.0 million for the six months ended 30 June 2020 as compared to a net profit attributable to equity holders of the Company of approximately RMB20.1 million for the six months ended 30 June 2019, based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2020 and information available to the Board.

The expected loss is primarily due to a decrease in revenue derived from the self-operated interior design and construction business of the Company due to a reduction in home renovation services orders when certain residential community districts in certain provinces and cities in the PRC are closed down as prevention measures during the outbreak of the novel coronavirus pneumonia (COVID-19) (“**Epidemic**”).

In response to the Epidemic, the Company has launched measures, such as providing financing and free trial of online design software, to reduce liquidity pressure of material suppliers and IDC service providers to boost their usage of the Company’s online platform and other services. The Company has also effectively controlled its rental and other operating costs and therefore, sufficient cash flow has been maintained.

However, Shareholders and potential investors should note that the Company is still in the process of finalizing the interim results of the Group for the six months ended 30 June 2020. The information contained in this announcement is only based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2020 prepared based on the Company’s best estimation and judgements, which have not been reviewed by the Company’s Audit Committee and without taking into account any other possible provisions, which has not been confirmed or audited or reviewed the Company’s

auditor and may be subject to adjustments. Shareholders and potential investors should carefully read the Group's interim results announcement for the six months ended 30 June 2020 which is expected to be published by the end of August, 2020.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
